MEMORANDUM FOR: Project Director

SUBJECT : Delivery of Mission Results

1. On 9 August, Eastman Kodak completed processing prints for mission number 2013. This consignment composed the final photographic "take" from the eight missions accomplished to date. Delivery of all material to both prime customers has been completed.

2. For your information, a system has been devised to maintain strict accountability of all future material as it is shipped from Eastman to HTAUTOMAT and USAF (See OPL #14). Based upon information provided by the new manifest, the Operations Division will be able to provide current information concerning the status of all mission "take" delivered to either of the customers referred to above.
